INFORMATION REGARDING INVENTORSHIP

Honorable Commissioner of Patents and Trademarks  
Washington, D. C. 20231

Sir:

In preparation of the present Continuation-In-Part Application, an error in the names of the inventors of the parent application was discovered. In particular, "Inuzima" should have been --Inushima--, and "Seiichi" should have been --Masakazu--. The error was inadvertent and due to a translational mistake. The Declaration and Assignment documents attached to the present application reflect the corrected names. Since the parent application is to be abandoned, it is

believed that no further action is necessary on Applicants' part at this time. However, the above information is provided for completeness of the record and in compliance with Applicants' Duty of Candor.

Respectfully submitted,
